SPACE RIDER

Skill Shot:
Land ball in the Center Saucer. Lit S-P-A-C-E letter activates specific hold over count based on the below goals. Skill Shot is available for 30 seconds.

Space Rider has 5 Goals:
(S) Left Spinner 200 spins. Lower S will be lit when complete
(P) Pop Bumper 25 hits. Lower P will be lit when complete
(A) Blast-Off Center Spinners 100 spins. Lower A will be lit when complete
(C) Max Bonus Count to 40,000. Lower C will be lit when complete
(E) Playfield Multiplier Maxed to 5x. Lower E will be lit when complete

(S) Hit the Left Spinner to increase the spin value as lit on playfield. 200 Spins complete this goal and sets the spin value at 10,000 for 30 seconds.
(P) Hit the Pop Bumpers 25 times to complete this goal and sets the pop value at 5,000 for 30 seconds.
(A) Blast-Off Spinners. Hit the lit Center Spinner to increase the spin value. 100 Spins will light the Center Saucer for the jackpot shot for 30 seconds. Hit Center Saucer to complete this goal. Unlit spinner will take spins away from count. Switch hits toggle the lit/unlit spinner.
(C) Hit switches around the playfield to increase bonus. Bonus will be held at 100, 200, 300. Bonus lights will flash when the max of 40,000 is reached and the goal will be complete.
(E) Hit the Right Saucer (behind Drop Targets) to increase the playfield multiplier to 2x, 3x, and then 5x. When 5x is achieved the goal is complete.

Complete any 3 goals to light Extra Ball at the Right Target.

Wizard Mode:
Complete all 5 goals to start the Wizard Mode. Complete all the lit shots to light the Right Saucer for 250,000 points.

Drop Targets:
Drop Target number 1 lights the Right Target for 5,000 a hit.
Drop Target number 2 lights the Right Target to open the gate for a Right Outlane Ball Save.
Drop Target number 3 lights the Left Outlane for 25,000.
Drop Target number 4 lights the Right Saucer for 25,000.

Left Stand-up Targets:
Complete the Targets 2 times to light Extra Ball at the Right Target. Once per game only.

Top SPACE Saucer:
Hit the Center Saucer when the SPACE letters are lit to score 5,000 points or 1,000 when unlit. Pop Bumper hits and Sling hits will toggle lights.
